

# How to watch the orientation movie?

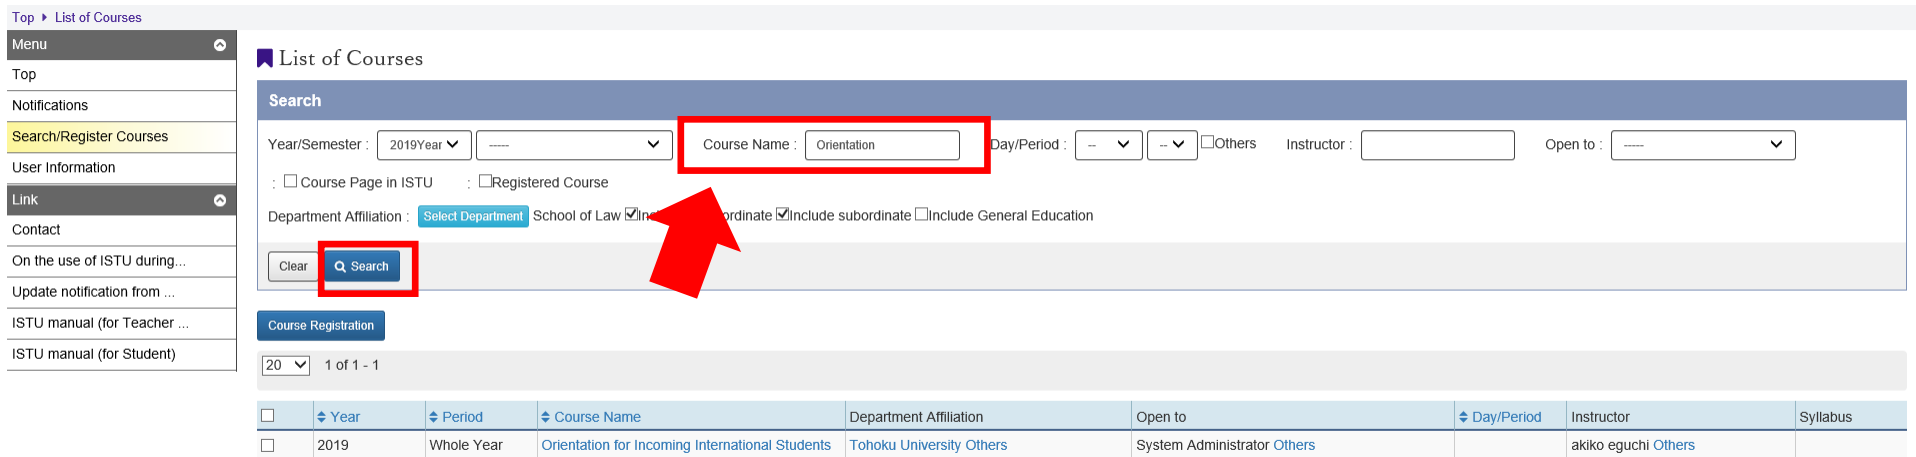

Step 1. Sing in the ISTU and click “Course Search”.

The screenshot shows the ISTU homepage. The top navigation bar includes the university logo, name, and user information. A left sidebar menu contains several items, with 'Course Search/Attendance Application' highlighted in a red box. A red arrow points from this menu item towards the main content area. The main content area displays a 'News List' with three entries, each with a title, posted by name, and open period.

Step 2. Type “Orientation”\* into the course title box and click “Search”.

\* The first “O” should be a capital letter. If you enter “orientation”, it does not work.

The screenshot shows the 'List of Courses' page. The search bar is highlighted in a red box, and the word 'Orientation' is entered. A red arrow points from the search bar towards the 'Search' button, which is also highlighted in a red box. Below the search bar, there are various filters and a table of course results.
