RAMADAN

"The month of Ramadhan [is that] in which was revealed the Qur'an, a guidance for the people and clear proofs of guidance and criterion. So whoever sights [the new moon of] the month, let him fast it ..."

DETERMINING THE FIRST DAY OF MONTH

When does Ramadan start and finish?

"So whoever sights [the new moon of] the month, let him fast it" (2:185)

One of method to determine the first day of Hijri's month is seeing Hilal (new moon). Islamic Community in Japan through Ruyat-e-Hilal Committee Japan does observe hilal at 29th of Sha'ban, Ramadan, and Dhu al-Qa'dah for its own purpose.

Usually Hilal could not be seen from Japan. Therefore, Japan follows the nearest Islamic country authorities, which is Malaysian Islamic Authorities.

This information then will be shared by **ICCS** and each country's Muslim community in Sendai.
