 - Android 8.0 and above
2. **My Number Card**
3. **Passport (if you wish to use it overseas)**

Scan the QR
Code to install
the App in your
smartphone :

App Store

Google Play

Step 2. Application of Digital Vaccine Certificate Issuance in the App

Usage Selection

Select whether you will be using the certificate within Japan, overseas, or both. Please note that you will be required to upload a photo of your passport ID page if you select overseas

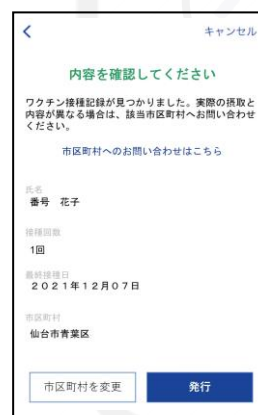

MyNumber Registration

- Key-in the 4 digit pass code you registered during the issuance of your MyNumber Card
- Follow the instruction on the screen, and use your mobile device to capture your MyNumber Card.
- If you selected "overseas use", do the same with your passport.

Confirm Area

Enter your municipality as registered in your residence certificate.

Confirm Details

Confirm the details of the vaccination you received. If there are any inconsistencies with the details, visit your ward office for correction. Click 発行 to issue your vaccination certificate in the app.

Issuance of Certificate

Digital vaccination certificate issued in the App can be shown as and when required.
